10th Graduation Ceremony

The staff of Carver Christian High School extend a hearty "Congratulations!" to the graduating class of 2016. We celebrate this transition in your lives and are grateful to see you go with God into the next stage of your journey. Remember what you have learned about God, yourself, and the world that so needs the hope of Jesus Christ.

From the Carver Board

Dear Carver Community: As another school year comes to an end, we can look back with great pride on the many wonderful accomplishments of Carver students and staff who continue to shape and define Carver Christian High School. Carver students continue to grow in their spiritual and academic journey, which can be directly attributed to the dedication and hard work of staff throughout the year. The Carver Board understands that this time of year is very hectic with exams, report cards, graduation, and numerous year-end tasks. We wish to thank staff and parents for your dedication to ensuring the success of our students and school.

In closing, on behalf of the Carver Board, we wish you all the very best and hope that you enjoy a safe and restful summer.

Update: Encounters with Canada

We are delighted to announce once again that we had a very positive response to this program. Twelve Carver students have applied for Encounters with Canada for the 2016/17 school year! We are very pleased that so many of you want to travel to our nation's capital next year and spend a week exploring themes related to a potential career, seeing the sights of Ottawa and meeting students from Canada's other provinces and territories. **Missed out applying?** You may still be able to get a code. (Please note that the other students who applied will secure their first choice). For inquiries, please email adresselhuis@carverchristian.org
