Survey Says

On May 2nd, 2017 a short Parent Survey was emailed to one member of every household.

Curriculum planning is one key to a great K - 12 school. A strong sense of community identity is equally important to the future of our school. Please take a few minutes to share your thoughts about these matters. Feel free to speak your mind; your responses will remain anonymous.

If you would like to be considered for the gift card draw (\$50 at the McCarthy Uniform Store), please give us your email for the draw.
