## The Gift of Time

On Tuesday evening, Carver's administration team and several Carver staff spent some precious time with about 200 special guests in our gymnasium. This was our New Families Orientation event for the 90 students and parents who will be starting with us in September 2018. It was a delight to see how keen and interested those mostly junior grade students were to be here! After a casual and friendly potluck dinner, we reviewed some of those key communications parents need to know and then heard a few words of wisdom from grade 9 Megan and her mom, Rebecca Janke, who is a parent consultant. We are hoping to provide another opportunity for parents to hear from Rebecca in the fall. This two hour event was time well spent.

This Friday, Carver's staff, parents and others will join together around another meal: The Graduate Banquet, a highlight of every year and a lovely visual reminder of how quickly children emerge into young adults. Monday's Convocation Ceremony at Michael J. Fox Theatre will signify the ending of an era and a launching we celebrate with mixed emotions: joy at having been a profound part of some transformative years and sadness at their leaving our hallowed hallways.

We are blessed to have the Gift of Time here at Carver – one more year for curriculum and program planning for the two brand new high school campuses. It is momentous and amazing but it is also just a day at a time.

## How Big is a Doorbell Project?

It is as big as a house if you are Matthew Chu, Nicholas Low and Eunice Barcelona! These three industrious Grade 9 students were assigned the task of creating a doorbell for Science and rather than just supporting it with a small piece of wood, they put it into a "house" of sorts. Creative and fun!

## VCS SAGM

At last week's VCS SAGM, Mrs. Grace Voo, Mrs. Ellen Freestone, Mrs. Andrea Wiebe and Mrs. DeBoer shared extensively on survey results as well as a response to parent and teacher feedback. For a summary of the evening, **please click on the link of "Hope and a Future" newsletter.**

## JKCS AGM

A hearty thank you to everyone who attended the JKCS Spring Membership Meeting. The agenda was definitely full, but the meeting was worship-centered, efficient and productive. For a summary of the evening, **please click on the link "JKCS Spring Membership Meeting."**

## Carver Event Crews

Every event at Carver is a combination of Staff, student and parent effort. This semester has included several events that were especially smooth experiences due to the developing talents of one of our grade 12 students, Adam Liao. Under the supervision of Mrs. Smythe, Adam has been growing into an able Volunteer Coordinator and we want to express our appreciation for his service and the many, many, many Carver students who continually give their time, energy and talents to serve others. Bravo!

## Announcements

**Monday, June 12:** The School Office will close at 3.30 p.m. for Graduation Convocation prep work at MJF Theatre.

**Encounters with Canada 2017/18:** A huge thank you to all interested applicants who applied to go to EWC for the 2017/18 school year. A total of thirteen students applied, many writing very impassioned and articulate paragraphs about why they want to go. This week each student will be contacted on whether they can apply immediately or whether they will be put on an early fall wait list. Please note that older students will be given priority to allow them to participate before they 'age out' at age 18. Thanks Carver students! Your EWC school coordinator, Mrs. Dresselhuis [adresselhuis@carverchristian.org](mailto:adresselhuis@carverchristian.org)

**UBC Pharmacy Info Evening:** Interested students are invited to UBC's Information Evening on Wednesday, June 14, 2017 in the Pharmaceutical Sciences Building, Vancouver Campus. This is a great session for grade 12s who are starting to register for their first-year courses and have questions about the admission requirements, but it's open to anyone who is interested in learning more about UBC's
